Subject: RE: Elcometer, Inc. v. Paintmeter.com et al [MCPS-ACTIVE.FID1085532]

Joe Vernon, for the record, I have never received any lawsuit from you, have not been served a lawsuit, have not set foot in the usa in more than 7 years and have no presence there

whatsoever.

as an offer in compromise, I will take any pictures of and any reference to the elcometer name and their products off my website, when my website designer comes back into the

country in one month, after Jan 15th, 2013. He is visiting family in Russia for the holidays.

When he gets back, it will take a couple of weeks to do this, it will be done, as usual with

elcometer, at my cost, by Jan 31, 2013.

In the meantime, I will do no internet advertising of this website.

Send me an email stating that you accept this and you will cease any further action, I will do what I say and we can wrap this up.

Note, you are wasting your time and your client's money pursuing this matter. You will recover nothing from me, not one dime, mark my words.

Regards,

Robert thoren
